Dear Mr Enage

### **Investigation into the death of Samantha Killen**

The Coroner has completed the investigation and made a finding without inquest. We enclose a copy and wish to draw your attention to the recommendations/comments made by the Coroner.

When making a finding, a Coroner may comment on any matter connected with the death, and may make recommendations to any Minister, public statutory authority or entity that may help prevent similar deaths. Upon receipt of the recommendations, they have no more than three months to provide a written response to the Coroner. Unless the Coroner orders otherwise, we publish the finding and all recommendations on the court website. Upon receipt, the Coroner must publish the written response.

Accordingly, in due course, we will publish the enclosed finding on our court website.

If you have any questions, please contact our office.

Yours sincerely
